

Our aims are: -

To provide a friendly, caring, child-centred environment where every child can achieve his/her full potential.

To provide a secure and loving setting with a favourable ratio of adults to children.

To provide the security of a daily routine, The opportunity and space for children to develop confidence to explore and expand on their own experiences.

To provide a stimulating and interesting environment conducive to quality teaching and learning.

To promote independence, and therefore encourage children to take responsibility for their learning.

To provide a place where children feel respected and valued.

To allow all children to experience a wide variety of materials at first hand.
